**A Resolution Approving an Intergovernmental Cooperation Agreement By and Between  
The County of Jackson on behalf of the Jackson County Sheriff's Office  
and the Illinois Department of Children and Family Services**

**WHEREAS**, the Jackson County Sheriff's Office and the Illinois Department of Children and Family Services ("DCFS") are units of local government authorized by the Illinois Constitution and the Intergovernmental Cooperation Act to contract with each other and otherwise agree amongst themselves and undertake certain transactions with each other; and

**WHEREAS**, the parties hereto have determined that it is in the best interest of each to enter into an agreement to provide for a Jackson County Sheriff's Deputy to assist DCFS to enhance safety protocols and measures for Child Protection Specialists when they conduct required home visits, safety assessments, safety and well-being checks, taking youth into protective custody, and other responsibilities which requires visiting a client's home; and

**WHEREAS**, so as to memorialize their mutual understanding, agreement, and commitment to such an agreement, the Jackson County Sheriff's Office and the Illinois Department of Children and Family Services ("DCFS") are prepared to enter into an Intergovernmental Agreement setting forth their mutual understanding and agreement.

**NOW, THEREFORE, BE IT RESOLVED by the County Board of Jackson County, Illinois as follows:**

Section 1. That the Chairman of the Board is hereby authorized to enter into an Intergovernmental Agreement with the Jackson County Sheriff's Office and Illinois Department of Children and Family Services ("DCFS") for the purpose of providing a Sheriff's Deputy to assist Child Protection Specialists when they conduct required home visits, safety assessments, safety and well-being checks, taking youth into protective custody, and other responsibilities which requires visiting a client's home;

Section 2. That the Chairman of the Jackson County Board of Jackson County, Illinois, and the County Administrator of Jackson County be and hereby are authorized to do any and all things reasonable, necessary and proper to carry out the intent and purposes of this resolution.

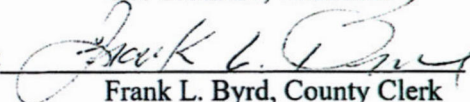

This resolution adopted at a regular meeting of the County Board of Jackson County, Illinois, on the 21<sup>st</sup> day of MARCH, 2023.

## **Resolution 2023-75**

### **A Resolution Establishing a Budget Stabilization Fund**

**WHEREAS**, the County Board of Jackson County, Illinois may establish funds in the County Treasury; and

**WHEREAS**, the County Board of Jackson County and the County Officials of Jackson County exhibited responsibility and discipline necessary to realize a positive balance in the County's General Fund; and

**WHEREAS**, the County Board of Jackson County understands the importance of sound and responsible budgeting practices and deem it advisable and in the interest of the County for the stabilization of the budget and for effective use of tax dollars to create a fund to be known as the Budget Stabilization Fund for the purposes set forth in this resolution; now

**THEREFORE BE IT RESOLVED**, that the Jackson County Board directs the Treasurer to establish the Budget Stabilization Fund as a special fund in the County Treasury; and

**BE IT FURTHER RESOLVED**, that each fiscal year the County may appropriate by a resolution, adopted by a two-thirds vote of the members elected and serving on the County Board, all or part of a surplus in the General Fund resulting from an excess of revenue in comparison to expenses; and

**BE IT FURTHER RESOLVED**, that the County shall not impose additional taxes solely to produce revenue in excess of that needed in its estimated budget in order to provide for money to be appropriated to the Fund; and

**BE IT FURTHER RESOLVED**, the amount of money in the Fund shall not exceed 20% of the County's most recent annual revenues; and

**BE IT FURTHER RESOLVED**, that the money in the Fund may be appropriated by a resolution, adopted by two-thirds vote of the members elected and serving on the County Board, for the following purposes:

- To prevent a reduction in the level of public services, in a fiscal year, when the County Board deems the County's budgeted revenue is not being collected in an amount sufficient to cover budget expenses;
- To cover a General Fund deficit when and only when the County's annual audit reveals such a deficit;
- To cover expenses arising because of a natural disaster, including but not limited to a flood, fire, earthquake, or tornado;

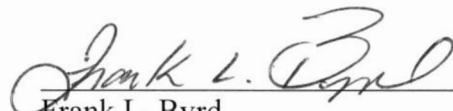

**BE IT FURTHER RESOLVED**, if funds are received to offset the appropriations from the Fund, that money shall be returned to the Fund; and

## Resolution 2023-76

### Grant Partnership Authorization for Communications & Broadband Infrastructure

WHEREAS, by the authority of the Jackson County Board, as found in 55 ILCS 5/5-1005, to make all contracts and do all other acts in relation to the property and concerns of the county necessary to the exercise of its corporate powers and to appropriate and expand funds from the county treasury for economic development purposes, including the making of grants to any other governmental entity or commercial enterprise deemed necessary or desirable for the promotion of economic development in the county; and

WHEREAS, the Jackson County Board recognizes the critical importance of reliable and high-speed communications infrastructure and broadband networks to the county's economic growth, public safety, education, healthcare, and overall quality of life; and

WHEREAS, where approximately 35 percent of residents in Jackson County are classified by the Federal Communications Commission and State of Illinois as unserved or underserved by broadband speeds of less than 25 Megabytes per second for download speed and 3 Megabytes per second upload speed, currently totaling more than 8,100 locations; and

WHEREAS, the State of Illinois and federal agencies have announced funding opportunities for broadband expansion and technology development grants, which align with the Jackson County Board's goals and objectives; and

WHEREAS, the Jackson County Board recognizes the potential benefits of forming a partnership with qualified entities to pool resources, expertise, and best practices for effective utilization of grant funding; and

WHEREAS, the Jackson County Board believes that a collaborative approach will maximize the impact of grant funds and lead to the successful implementation of a comprehensive communications infrastructure and broadband network.

NOW THEREFORE, BE IT RESOLVED, that the Jackson County Board is committed to fostering economic development through the development of advanced technologies and promoting equitable access to broadband services for all its residents, including those in rural and underserved/underserved area.

BE IT FURTHER RESOLVED, that the Jackson County Board has identified an opportunity to collaborate with external partners and secure funding through grants to support the expansion and enhancement of communications infrastructure and broadband networks addressing public safety, economic, employment, educational, and healthcare access.

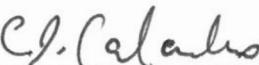

BE IT FURTHER RESOLVED, that the Jackson County Board agrees to partner with Western Kentucky & Tennessee Telecommunications Cooperative (WK&T) to seek and apply for grants related to communications infrastructure and broadband networks development specifically addressing the unserved and underserved areas of the county.

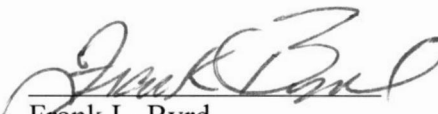

BE IT FURTHER RESOLVED, that the Jackson County Board approves the expenditure of up to \$5 million in committed ARPA funds to be matched by WK&T for state and federal broadband grant application matching fund requirements.

BE IT FURTHER RESOLVED, that the County Broadband Coordinator shall provide periodic updates to the Jackson County Board, Connect Jackson County Advisory Committee, townships and civic organizations regarding the progress of grant applications, partnership activities, and the successful implementation of communications infrastructure and broadband networks development initiatives.

BE IT FURTHER RESOLVED, that a copy of this resolution shall be provided to all relevant parties and grant partners, to indicate the County Board's commitment to collaborate in achieving the shared goal of improving communications infrastructure and broadband networks targeting the unserved and underserved areas within Jackson County, Illinois.

APPROVED at Board Meeting on this 16 day of Aug 2023.

Resolution 2023-88

Amending Jackson County Employee Policy Handbook

WHEREAS, the County of Jackson, State of Illinois, is a non-home rule unit of local government which employs individuals and sets terms and conditions of employment through policy and pursuant to collective bargaining agreements; and

WHEREAS, on March 13, 2023, the Governor of Illinois signed into law the Paid Leave for All Workers Act (820 ILCS 192/1 et seq.) ("Paid Leave for All Workers Act" or "the Act") in the State of Illinois that requires non-exempt employers, including local units of government, to provide an amount of paid leave during a 12-month period that the employee may use for any reason; and

WHEREAS, the Paid Leave for All Workers Act stipulates that employees are entitled to earn and use up to a minimum of 40 hours of paid leave during a 12-month period or a pro rata number of hours of paid leave during a 12-month period, consistent with Section 15(b) of the Act; and

WHEREAS, employers may provide such leave via accrual or frontloading; and

WHEREAS, an employee shall begin to earn paid leave hours, via frontloading or accrual, at the commencement of the individual's employment with the employer or on January 1, 2024, whichever is the later date; and

WHEREAS, the Paid Leave for All Workers Act will take effect on January 1, 2024; and

WHEREAS, the County of Jackson already provides generous paid leave for its employees under its collective bargaining agreements and/or the County of Jackson's Personnel Policy adopted in 2017; and

WHEREAS, Section 20(b) of the Paid Leave for All Workers Act provides that "An employer who provides any type of paid leave policy that satisfies the minimum amount of leave required by subsection (a) of Section 15 is not required to modify the policy if the policy offers an employee the option, at the employee's discretion, to take paid leave for any reason"; and

WHEREAS, the Illinois Department of Labor Proposed Rules concerning prior notification requirements set out in Section 15(h) of the Paid Leave for All Workers Act provides that an employer's paid leave policy for considering leave requests may establish certain limited circumstances in which paid leave may be denied in order to meet the core operational needs for the requested time period taking into account, among other factors, whether the employer provides a need or service critical to the health, safety, or welfare of the people of Illinois; and

WHEREAS, the employees of the County of Jackson provide services critical to the health, safety, or welfare of the people of Illinois and in some instances the absence of a particular employee would significantly impact the governmental operations; and

WHEREAS, the County of Jackson finds that it has already fulfilled the spirit and intent of the Paid Leave for All Workers Act as an employer given the current rights of employees

available under collective bargaining agreements and/or the County of Jackson personnel policies which provide paid leave benefits to employees; and

WHEREAS, the County of Jackson finds it in the public interest to clearly define the minimum requirements regarding paid leave which apply to the County of Jackson employees, and that amendment of the County of Jackson's Personnel Policy adopted in 2017 is in the best interests of the health, safety and welfare of the public.

NOW THEREFORE, BE IT RESOLVED that the County of Jackson's Personnel Policy adopted in 2017 is amended as set forth below:

## CHAPTER X

### LEAVES OF ABSENCE/ TIME OFF

#### Section 10.1 Paid Leave

This policy is designed to comply with County's obligations under the Paid Leave for All Workers Act (hereinafter "PLAWA") (820 ILCS 192/1 et seq.) In the event of any conflict between this policy and PLAWA, the provisions of PLAWA will govern.

In accordance with PLAWA, full time employees are awarded forty (40) hours of PLAWA leave (hereinafter PL) at the start of the 12-month period.

Part-time employees will be awarded a pro-rata amount of PL at the start of the 12-month period based on the number of hours they typically work in a workweek. If the employee works more hours than anticipated, the employee is entitled to accrue additional hours at a rate of 1 hour of paid leave for every 40 hours worked in that same 12-month period, up to 40 hours of paid leave.

The County may provide some of its employees paid leave in form of frontloading and other employees paid leave via accrual.

The County will count all time that an employee works, including overtime hours worked, for purposes of calculating accrual. The County is not required to count time when an employee is on paid or unpaid leave or other noncompensable time where the employee is not performing work for the County as time worked for accrual purposes. If an employee works overtime and the paid leave is calculated via accrual, the employee may accumulate more than 40 hours of paid leave in a 12-month period.

The 12-month period for purposes of calculating PL shall be the calendar year. Employees shall be permitted to use PL beginning on March 30, 2024, or ninety (90) days after the commencement of their employment, whichever is later.

10.1.1 The County requires employees to provide seven (7) calendar days' notice that the employee will take PL. If, however, the employee's need to take PL is not foreseeable, the employee must provide notice as soon as is practicable after the employee is aware of the necessity of taking PL. Employees will use a written request for leave form and submit it in person, by email, or by fax.

The County may deny an employee's request to use PL if granting leave would significantly impact business operations. The following is an illustrative (not exhaustive) list of reasons why requests to use PL may be denied:

- 1) Staffing would fall below minimum levels necessary to provide effective public service;
- 2) Emergency circumstances exist requiring employee attendance;
- 3) Employee absence would hamper the County's ability to meet critical workflow obligations or deadlines.

10.1.2 An employee is not required to search for or find a replacement worker to cover the hours during which the employee will take PL. Employees may take PL in increments as small as two (2) hours unless the employee's scheduled workday is less than two (2) hours, in which case, the employee's scheduled work day shall be used to determine the amount of PL taken.

10.1.3 An employee may take PL for any reason of the employee's choosing. An employee is not required to provide the County with a reason for taking PL. The County will not require the employee to provide documentation or certification of the reason that PL was taken. An employee may choose whether to use PL under this policy prior to using any other leave provided by the County or State law.

10.1.4 If an employee works in a County department, office, or service in which PL is calculated via accrual, at the end of a 12-month period, the employee may carry over accrued, unused PL into the next 12-month period. Employees may not carry over more than 80 hours of unused PL.

10.1.5 If an employee works in a County department, office, or service in which PL is frontloaded, the employee is not entitled to carry over paid leave time from one 12-month period to the next.

10.1.6 An employee may not use more than 40 hours of accrued PL in a 12-month period.

10.1.7 Employees shall be paid their regular rate of pay when taking paid leave time, or, if salaried, an hourly amount equivalent to their annualized rate of pay divided by the number of hours they are expected to work in a year.

10.1.8 The County does not credit PL under this policy to any other employee vacation bank or paid time off (PTO) bank. As a result, in accordance with PLAWA, the County does NOT compensate employees for unused PL upon termination or separation from employment.

10.1.9 The County will create and maintain, for not less than 3 years, the following records for each employee:

- 1) Name and address;
- 2) Hours worked each day in each workweek;
- 3) Paid leave earned or accrued in each workweek;
- 4) Paid leave taken or used in each workweek;

- 5) Requests by the employee to use paid leave that the County denied; and
- 6) Remaining paid leave balance in each workweek and upon employee's separation or termination from employment.

10.1.10 The County will make all records related to the Paid Leave for All Workers

Act and this Part available to the employee or for inspection by the Department of Labor upon request.

10.1.11 The County will comply with all notice provisions related to the Paid Leave for All Workers Act.

10.1.12 The County will not take adverse action against an employee because he or she exercises or attempts to exercise a right under PLAWA, opposes the County's practices which he or she believes to be in violation of PLAWA, or supports the exercise of rights of another County employee subject to this Personnel Policy. The County will not consider the use of PL by an employee as a negative factor in any employment action that involves evaluating, promoting, disciplining, or counting paid leave under a no-fault attendance policy.

10.1.13 The County shall maintain coverage for the employee and the employee's covered family members under any group health plan for the duration of PL at no less than the level and conditions of coverage that would have been provided if the employee had not taken PL.

10.1.14 Nothing in this policy shall be deemed to interfere with, impede, or in any way diminish the right of employees to bargain collectively with the County through representatives of their own choosing in order to establish wages or other conditions of work in excess of the applicable minimum standards established under this policy.

10.1.15 For employees whose paid leave benefits are set forth in an existing collective bargaining agreement in effect prior to January 1, 2024, the leave provisions of the collective bargaining agreement shall control over conflicting provisions in this policy.

10.1.16 For any collective bargaining agreement entered into on or after January 1, 2024, if the collective bargaining agreement explicitly waives the requirements of PLAWA in clear and unambiguous terms, then the provisions of this policy will not apply to employees subject to such collective bargaining agreement.

10.1.17 If an employee is transferred to a separate division, entity, or location, but remains employed by the County, the employee is entitled to all PL accrued at the prior division, entity or location and is entitled to use all PL in accordance with this policy.

10.1.18 If an employee is separated from employment with the County, and is rehired within twelve (12) months of separation from the County, previously accrued PL that had not been used by the employee shall be reinstated, and the employee shall be entitled to use it at the commencement of reemployment.

## Section 10.2 Vacation

All regular full-time employees shall earn vacation time, except those on leave of absence or layoff. Eligible employees shall earn vacation time on their anniversary date in accordance with the following schedule:

- Employees with more than one year of continuous employment but less than five years shall receive five (5) working days as vacation leave.
- Employees with more than five years of continuous employment but less than ten years shall receive ten(10) working days of vacation leave.
- Employees with more than ten years of continuous employment but less than twenty years shall receive fifteen (15) working days of vacation leave.
- Employees with twenty or more years' continuous employment shall receive twenty (20) working days of vacation leave.

All vacation leaves shall be scheduled with the supervisor at least one month in advance or at the discretion of the supervisor. If required by the supervisor, each vacation leave request shall be made in writing to the supervisor using a "Request of Absence" form. No request shall be honored unless approved by the supervisor. Upon termination, an employee's vacation time for that year will be prorated to the number of months the employee has worked that fiscal year.

### 10.2.1 Use of Vacation Hours

Vacation time may be taken in increments of not less than one hour, and at any time after it is earned it is subject to the operational needs of the Department. Vacation which is accrued, but not used during a year may be accumulated by an employee. However, vacation leave shall not be accumulated for more than two years. All other accrued, but unused, vacation hours will be lost on the employee's anniversary date.

## Section 10.3 Sick Leave

Each employee of the County covered by this Agreement shall be entitled to accumulate sick leave as follows:

- Regular Full-Time Employees: One day for each calendar month worked.
- Regular Part-Time Employees: Part-time employees shall accumulate sick leave prorated on the actual hours worked.

Employees shall start to accumulate sick leave as of the date of employment and shall be eligible for said sick leave absences once they have completed their probationary period. Employees shall not accrue sick leave for any pay period during which they are on layoff or other leaves of absence which are of at least 30 days' duration.

Sick leave which is accrued but unused during a year may be accumulated by an employee. However, an employee who leaves employment with the County shall not be entitled to any compensation for unused sick leave accumulated during employment by the County.

Nevertheless, such accumulated, but unused sick leave may be applied for service credit for pension purposes as allowed by IMRF.

Any employee who has contracted or incurred and is suffering from any non- service connected sickness or disability, which renders them unable to perform the duties of their position, shall be eligible to receive paid sick leave. This also includes periods during which the employee is under an enforced quarantine in accordance with community health regulations, or restricted due to exposure to a contagious disease in accordance with a doctor's order.

Employees shall be eligible to receive paid sick leave when there is a sickness or disability involving a member of their immediate family which requires the employee's personal care and attendance, provided that requiring the employee to report for work would cause a serious hardship on the member of the immediate family suffering from the illness or disability. Immediate family is defined as husband, wife, domestic partner, father, mother, father-in-law, mother-in-law, grandfather, grandmother, son, son-in-law, daughter, daughter-in-law, uncle, aunt, nephew, niece, brother, sister, brother-in-law, sister-in-law, step relatives, cousins and domestic partner relatives.

Employees shall be eligible to receive paid sick leave, to the extent they have accrued sick leave credit, for maternity leave (if the employee is in fact unable to work due to pregnancy), approved medical leave, and approved extended duty injury leave.

If paid sick leave benefits have been exhausted, an employee unable to work due to pregnancy, illness, or disability (documented by a physician's statement) may be granted an unpaid leave of absence without pay for up to six (6) months. To return to work after approved leave, the employee must provide a release from the attending physician and be qualified to perform the duties of the position last held. If an employee is unable to return to work at the end of six (6) months, additional leave time may be requested by the employee.

The rate of sick leave pay shall be the employee's regular straight-time hourly rate of pay in effect for the employee's regular job at the time the sick leave is taken.

It is the responsibility of each employee requesting paid sick leave to notify his/her supervisor as promptly as may reasonably be possible (in the absence of extenuating circumstances, not later than the beginning of that workday). Where someone other than the employee is, or has been requested to make the required notification, the employee will be solely responsible for notification being made. If an employee becomes sick or ill during their work shift, he/she must notify or cause notification to be made to their supervisor immediately.

If the County has reasonable grounds to believe sick leave is being abused, it may at its discretion require any employee requesting paid sick leave to furnish substantiating evidence or a statement from their attending physician certifying that absence from work was required due to such reason as may conform to the requirements set forth herein. In any case, such certification must be presented whenever sick leave is requested for more than 3 consecutive workdays.

If the County demands an additional form of proof, different than that was furnished by the employee and which involves cost to the employee, the County shall pay the cost of such professional services.

Any employee who is sick or disabled for 24 consecutive work hours may be required at the County's discretion, and any employee who is sick or disabled for eighty (80) or more consecutive work hours shall be required, to secure and submit a physician's release certifying that they are fit to return to work. This release must be submitted to the employee's supervisor before the employee will be permitted to return to work. The County may also require, at its discretion, that an employee take a medical physical as set out above. If the County requests a medical physical, they may give the employee leave with pay until the report from the medical physical is received.

#### Section 10.4 Family Medical Leave (FMLA)

It is the policy of Jackson County to comply with all federal and state laws in granting Family Medical Leave. This policy is meant to comply with the Family Medical Leave Act and is not intended to grant leave in addition to what the Act requires.

All regular full-time and regular part-time employees who have worked at least 1,250 hours during the twelve (12) months preceding the leave and who have completed twelve (12) months of service are eligible to take Family Medical Leave.

##### 10.4.1 Guidelines

A. An eligible employee will be entitled to a total of twelve (12) work weeks of unpaid leave during a designated twelve (12) month period for one or more of the following:

1. The birth and care of the newborn child of the employee. (Leave to care for a newborn child or for a newly placed child must conclude within twelve (12) months after the birth or placement.)
2. The placement of a child with the employee for adoption or foster care. (Leave to care for a newborn child or for a newly placed child must conclude within twelve (12) months after the birth or placement.)
3. To care for an immediate family member (spouse, child, or parent) of the employee with a serious health condition.
4. When the employee is unable to work because of a serious health condition.
5. Qualified Exigency Leave related to a spouse, child, or parent called to active duty in the National Guard or Reserves.

B. An eligible employee may also take up to 26 work weeks of leave during a "single twelve-month period" to care for a covered service member with a serious injury or illness, when employee is the spouse, son, daughter, parent, or next-of-kin of the service member. The "single twelve-month period" for military caregiver leave is different from the twelve-month period used for other FMLA leave reasons.

C. An eligible employee will be entitled to a total of twenty-six (26) work weeks of unpaid leave during a designated twelve (12) month period to care for an injured or ill military service member who is the employee's spouse, son or daughter, parent, or "next of kin." The leave is applied on a per-service member, per-injury basis.

D. Jackson County uses a rolling twelve (12) month calendar to calculate an employee's Family Medical Leave, measured backward from the date leave is taken. Each time an employee requests Family Medical Leave, Jackson County will compute the amount of available time based upon the date of the employee's previous leave, if applicable.

E. In most circumstances, an employee may be required to use any accrued vacation days, personal days, and sick time during any unpaid portion of Family Medical Leave granted, providing this does not interfere with Workers' Compensation benefits. FMLA leave will run concurrently with any other applicable leave. For instance, IMRF disability or Workers' Compensation leave will be simultaneously designated as FMLA leave as well, if the leave is also FMLA qualifying.

F. The County will provide basic life, medical, and dental insurance coverage to an employee who is on Family Medical Leave at the current employee rate. If an employee is off work after exhausting their twelve (12) weeks of Family Medical Leave, the employee will be responsible for the entire premium from that point forward. If an employee fails to pay their share of the premium, coverage may be cancelled.

G. Under certain circumstances, an employee may take Family Medical Leave intermittently, which means taking leave in blocks of time, or by reducing the employee's normal weekly or daily work schedules.

H. If Family Medical Leave is for birth and infant care or placement for adoption or foster care, use of intermittent leave is subject to the County's approval. The County's approval is not required for intermittent leave during which the mother has a serious health condition in connection with the birth of her child or if the newborn child has a serious health condition.

I. When leave is needed for planned medical treatment, the employee must make a reasonable effort to schedule treatment during non-working business hours so as not to unduly disrupt the operation of the department.

J. Spouses employed by the County may be limited to a combined total of twelve (12) weeks of Family Medical Leave for birth and care of a newborn child, for placement of a child for adoption or foster care, or to care for a parent who has a serious health condition. In the situation where the spouses have both used a portion of the total twelve (12) weeks of Family Medical Leave for birth and care of a newborn child or for placement of a child for adoption or foster care, each would be entitled to the difference between the amount they have taken individually for other purposes.

K. An expectant mother is entitled to FMLA leave for incapacity due to pregnancy, for prenatal care, or for her own serious health condition following the birth of the child.

Circumstances may require that FMLA leave begin before the actual date of birth of a child. An expectant mother may take FMLA leave before the birth of the child for prenatal care or if her condition makes her unable to work. The mother is entitled to leave for incapacity due to pregnancy even though she does not receive treatment from a health care provider during the absence, and even if the absence does not last for more than three (3) consecutive calendar days.

L. An employee is entitled to FMLA leave if needed to care for their pregnant spouse who is incapacitated or if needed to care for her during her prenatal care, or if needed to care for the spouse following the birth of a child if the spouse has a serious health condition.

M. Spouses employed by the County are entitled to FMLA leave if needed to care for a child, adopted child, or foster child with a serious health condition if the requirements of the applicable FMLA regulations are met and provided they have not exhausted their entitlements during the applicable twelve (12) month FMLA leave period.

N. An employee with twelve (12) or more months of service who is eligible for Family Medical Leave and is absent on Family Medical Leave for twelve (12) work weeks or less will have the right to return to the same, or equivalent, position. However, an employee has no greater right to reinstatement or other benefits and conditions of employment than if they had not taken leave. If the employee does not return to work on the first business day after the approved FMLA leave ends, the employee will forfeit their right to be reinstated under the FMLA.

O. Certain "key" employees (highly compensated salaried employees) may not be returned to their former or equivalent positions following a leave if reinstatement to employment will cause substantial economic injury to the County. The County will notify those who qualify as "key" employees and those who will be denied reinstatement, and it will also notify these employees of their rights.

P. Before returning to work, the employee must provide a written medical release from their physician with a specific return date noting any restrictions. If restrictions are noted, the Supervisor and County Board will determine whether and how the restrictions may be accommodated. If such certification is not received, their return to work will be delayed.

Q. Accrual of vacation and sick time will cease during any family medical leave of absence over thirty (30) days. In addition, employees will not be eligible to receive jury duty/court services pay or blood donation leave pay at any time during FMLA leave and will not be eligible to receive holiday pay or bereavement pay following thirty (30) days of an FMLA leave. Unpaid leave is defined as time off during which the employee is not receiving any compensation for previously accrued benefit sick time (sick, vacation, personal days, or compensatory time).

#### 10.4.2 Procedures

1. An employee must contact the County Board to request Family Medical Leave at least thirty (30) days in advance, where practical or where leave is foreseeable, stating both the purpose and the beginning and ending dates of the leave. If the need for leave is not foreseeable, or the employee does not receive thirty (30) days advance notice themselves, notice is required as soon as practicable, generally within one (1) or two (2) days of learning of the need for leave.

2. Requests for Family Medical Leave must be approved by the County Board, or designee.
3. The County will require that the employee obtain a Certification of Healthcare Provider form and have it completed by a certified health care provider. The employee is responsible for providing updated medical re-certifications as requested by the County during the leave.
4. The County may contact the healthcare provider directly to authenticate a certification or obtain clarification.
5. An employee will be required to provide their supervisor with a treatment schedule or a one (1) to two (2) day notice of anticipated absences.
6. If an employee fails to provide a one (1) to two (2) day notice or a call on the same day of an absence, it will not be counted as FMLA time. Instead, it will be treated as a regular absence and will be subject to the department's attendance policy unless it was an emergency; then the employee must have a doctor/facility note to verify the emergency.
7. The County, at its expense, may require an examination by a second health care provider designated by the County. If the second medical opinion differs from the employee's original certification form, the County, at its expense, may require that a third, mutually agreeable health care provider provide a final and binding opinion.
8. The County will notify the employee of the status of their request for Family Medical Leave by sending the employee a Notice of Eligibility and Rights & Responsibilities form and Designation Notice form.
9. Employees may be required to provide periodic updates of their status and intent to return to work while on Family Medical Leave.
10. If an employee was on Family Medical Leave due to their own serious health condition, the employee must provide medical documentation from their treating health care provider indicating they can perform the essential functions of their position before returning to work. The medical documentation must include a list of restrictions that would impact their ability to perform the essential job functions of the position.
11. If circumstances of a leave change, enabling the employee to return to work earlier than the date specified, the employee should notify their supervisor at least two (2) working days prior to returning.
12. If a reduced work schedule or intermittent leave for planned medical treatment is approved, the employee may be temporarily transferred to an available alternate position for which the employee is qualified. All salary and benefits status will remain the same.
13. If an employee fails to return from leave for reasons other than the continuation, recurrence, or onset of a serious health condition or other circumstances beyond the control of the employee, the County may recover the premium that was paid for maintaining group health plan coverage.

14. If an employee fails to return from leave, the employee's supervisor should notify the County immediately.

15. Consistent with the County's policy regarding all types of leave, the following conduct is strictly prohibited in relation to FMLA leave:

- a. Engaging in fraud, misrepresentation, or providing false information to the County or any health care provider.
- b. Having other employment during the leave, without prior written approval from the County.
- c. Failure to comply with the employee's obligations under this policy.
- d. Failure to timely return from the leave.

16. Employees who engage in such conduct will be subject to loss of benefits, denial, or termination of leave and discipline up to and including discharge.

#### Section 10.5 Military Leave

It is the policy of Jackson County to comply with all applicable federal and state laws in granting Military Leave to employees who voluntarily or involuntarily serve or are reserve members of the United States Army, Navy, Marine Corps, Air Force, Coast Guard, Army National Guard, Air National Guard, and/or the Commissioned Corps of the Public Health Service, and others designated by the President of the United States in times of war or emergency.

In accordance with the Uniformed Services Employment and Reemployment Rights Act (USERRA), the County is obligated to release employees for service with the Armed Forces when the employee participates in:

- 1. Annual Training (Summer Camp)
- 2. Active Duty of Training (School)
- 3. Inactive Duty Training Assemblies (Weekend drills)
- 4. Extended leave of absence for voluntary active duty service (Enlistment)
- 5. Involuntary call-up

Military leave of absence shall not result in a loss of seniority status or benefits, which would have normally accrued if the employee had not been absent for such purposes.

In accordance with federal law, a military leave of absence shall have a 5-year limit (with some exception) on the cumulative length of time an employee may serve in the military and remain eligible for reemployment.

The County is not required to provide additional work hours to compensate for military leave.

#### 10.5.1 Procedures

1. Any regular full-time or regular part-time employee who enlists, is drafted, or is called to active/inactive duty shall immediately notify their supervisor verbally or in writing prior to departure for military service.
2. An employee who is called to uniformed service shall provide a copy of official orders as soon as available reflecting the length and character of the service to their supervisor.
3. In accordance with the applicable law(s), the employee shall be compensated for the difference between the payment received from the military and their compensation paid by the County. The employee may request the use of vacation, compensatory time, or leave without pay to supplement absences; however, they are not required to do so.
4. The employee's insurance benefits will continue through their military leave period, unless the employee decides to discontinue the benefits.
5. If the employee's insurance benefits will continue through their military leave, coverage will be immediately reinstated, without a waiting period, following the employee's return.
6. The employee will continue to accrue vacation and sick leave. Vacation, sick leave, and floating holidays that were unused at the time the military service began will be resumed upon the employee's return.
7. In accordance with federal law, upon completion of the period of military service, the returning employee shall notify their supervisor that they intend to return to employment. The employee will provide documentation to the length and character of their uniformed service. The length of time the employee has to contact their supervisor depends upon the amount of time spent in service.

#### Section 10.6 Family Military Leave

Under the Illinois Family Military Leave Act, certain employees are entitled to take unpaid job protected leave if they:

- Are either the spouse, parent, child, or grandparent of a person called to the military service lasting longer than thirty (30) days; and
- Have worked for the company for at least twelve (12) months and for at least 1,250 hours in the last year.

Eligible employees may receive up to fifteen (15) days of unpaid leave. An employee must have exhausted all vacation, personal, and any other accrued leave before taking Family Military Leave. Jackson County will not require an employee to use sick or disability leave.

Eligible employees taking leave for less than five (5) consecutive days must give the County notice as soon as practicable. Employees taking leave for more than five (5) consecutive days must give the County at least fourteen (14) days' notice.

Jackson County may require proof from the proper military authority to verify the employee's eligibility for Family Military Leave. This proof will typically consist of a copy of the military member's deployment orders.

#### Section 10.7 Child Bereavement Leave

It is the policy of Jackson County to comply with the provisions of the Child Bereavement Leave Act. This policy is meant to comply with the Child Bereavement Leave Act and is not intended to grant leave in addition to what the Act requires.

In order to be eligible for Child Bereavement Leave, a regular full-time or regular part-time employee must have worked at least 1,250 hours during the twelve (12) months preceding the leave and have completed twelve (12) months of employment with Jackson County.

An eligible employee is entitled to a maximum of two (2) weeks of unpaid leave for the death of one (1) child and may be entitled to up to six (6) weeks of unpaid leave for the death of more than one child during a designated twelve (12) month period for one or more of the following reasons:

- Attend the funeral or alternative to a funeral of a child.
- Make arrangements necessitated by the death of a child.
- Grieve the death of a child.

The Child Bereavement Leave Act defines child as: an employee's son or daughter who is a biological, adopted, or foster child, a stepchild, a legal ward, or a child of a person standing in loco parentis.

This policy does not create a right for an employee to take unpaid leave that exceeds the unpaid leave time allowed under or is in addition to the unpaid leave time permitted by, the federal Family Medical Leave Act.

#### Section 10.8 VESSA

In accordance with the Illinois Victims Economic Security and Safety Act (VESSA), leave shall be granted to an employee who is a victim of domestic (sometimes referred to as "intimate partner violence") or sexual violence or who has a family or household member (defined as spouse or Civil Union partner, parent, son, daughter, and persons jointly residing in the same household) who is a victim. Up to twelve (12) weeks of unpaid leave per year (52 consecutive weeks) may be taken. For purposes of this policy, the initial one-year period will commence on the first day that VESSA is taken. VESSA does not create a right for the employee to take a leave that exceeds the leave time allowed under, or in addition to, the leave time permitted by the Family and Medical Leave Act (FMLA). For employees on VESSA leave who are also eligible for FMLA leave, VESSA leave time is not in addition to the 12-week FMLA entitlement when the reason for VESSA leave also qualifies under FMLA, but depletes the 12 week FMLA entitlement when used.

An employee, who may have exhausted all available leave under FMLA for a purpose other than that which is available under VESSA, remains eligible for leave under VESSA. Employees taking leave under VESSA may "voluntarily" use accumulated, unused leave days, first. However, the County cannot require that these unused personal leave days be used. When an employee is taking a VESSA leave of absence concurrently with FMLA, they will be required to use accumulated, unused leave days (PTO) as outlined in FMLA policy.

While on a VESSA qualifying leave, employees will retain health insurance benefits at the same level as if continuously employed. Upon return to employment following a VESSA leave, the employee is entitled to be returned to his or her same or equivalent position. Contact your Supervisor for additional information.

#### Section 10.9 Workers' Compensation

Employees who sustain injuries at work may be eligible for workers' compensation. All work-related accidents or illnesses, no matter how minor, must be reported by a Supervisor as soon as possible and in most cases no later than the end of the shift.

Coverage may include payment for medical treatment and, in qualifying cases, partial income replacement. There is a waiting period (dictated by state law) that must expire before employees are eligible to receive benefits for lost time and/or income. The amount of this benefit is established by state law and depends upon the nature and extent of the injury.

Employees returning to the job from an injury that qualified under Workers' Compensation must submit a written release from the attending physician before returning to normal duties.

Employees are required to:

- Make an immediate report to their Supervisor.
- Cooperate in completing a "First Report of Injury Form" for submission to insurance carrier.

Failure to report to work after being released by the attending physician may result in counseling action up to and including termination.

#### Section 10.10 Voting Time Off

Pursuant to Illinois law, Jackson County will allow an employee up to two (2) hours of paid time from his or her scheduled workday to vote in primaries, general elections, special elections, or elections which are submitted to a popular vote in the state if the polls are not open at least two (2) hours before or after the employee's regular scheduled hours. The employee must notify his/her supervisor at least the day prior to the election to be eligible for excused time and the supervisor may specify what time the employee may utilize (i.e. at the start, end, or during their scheduled work hours). If notification is provided by the employee, he/she will suffer no negative repercussions for the time away from their job. If notification is not provided, the employee is subject to discipline up to and including termination.

#### Section 10.11 Jury Duty

Employees shall receive the necessary time off for jury duty and if subpoenaed as a witness in a civil or criminal proceeding in accordance with applicable law. Employees must present a copy of the jury summons or witness subpoena to their Supervisor immediately upon receipt thereof. Employees will be paid the difference between their regular base salary and any jury or witness pay received. The employee shall have the option to keep the money paid to the employee for court service and collect no pay from the County or to turn said payment from the Court over to the County and receive their regular salary from the County. If released from the jury or witness duty, prior to noon, employee shall report back to work.

Jury or witness duty leave shall not include any matter in which the employee is personally involved as plaintiff or defendant or in which the employee appears as expert.

#### Section 10.12 School Visitation

Pursuant to the School Visitation Rights Act, an employee who has utilized all of his or her vacation, personal, and compensatory time may request to schedule up to eight (8) hours of time off within a calendar year to attend school conferences or classroom activities related to the employee's child, if the conference cannot be scheduled during nonworking hours. The time may be scheduled in not more than four (4) hour increments and will be unpaid. The employee must schedule time with their Supervisor at least seven (7) days in advance of when they wish to take the time off unless the conference is due to an emergency in which case twenty-four (24) hours' notice shall be given. The employee is required to consult with the County regarding scheduling the time off so as not to unduly disrupt the County's operations. The employee must submit documentation to his or her Supervisor within two (2) working days of the conference.

#### Section 10.13 Blood Donation

Jackson County will follow applicable Illinois law regarding time off for blood donation. After an employee, has exceeded his/her six (6) month anniversary date of employment, he/she may request up to one hour paid time off every 56 days to donate blood. They must request the time in advance from their Supervisor and receive their approval prior to taking the time off from their job. A copy of the paperwork supplied by the donation center must be given to the Supervisor on his/her next scheduled day at work to verify the time was used to donate.

#### Section 10.14 Personal Leave of Absence

A personal leave of absence without pay may be granted for urgent personal reasons only after the employee has expended all accrued annual vacation and personal days. The Supervisor and County Board consider only those requests for leave of absence received from employees in positions that can be left unfilled or filled temporarily for the duration of the leave without detriment to the department.

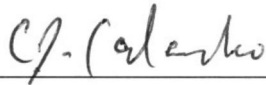

Personal leaves of absences will not normally exceed 30 days. Vacation time, sick leave and personal time and other benefits will not accrue. The employee will be responsible for making group insurance premium payments in order to continue coverage during any such leave.

#### Section 10.15 Breastfeeding/Lactation

Any employee who is breastfeeding their child will be provided reasonable break times as needed to express breast milk for their baby. Jackson County Board will from time to time designate a room for this purpose.

THAT, Additional revisions may be necessary as this is an ongoing issue. The County Board authorizes the County Administrator to make changes to the County Personnel Policy as needed to adhere to the law.

APPROVED at the regular meeting of the Jackson County Board on this 19<sup>th</sup> day of Dec 2023.

C.J. Calandro, Chairman

Jackson County Board

Frank L. Byrd

County Clerk & Recorder
