ATTEST:

Larry W. Reinhardt
County Clerk

This schedule contains the prevailing wage rates required to be paid for work performed on or after Monday, June 5, 2017 on public works projects in this County. Pursuant to 820 ILCS 130/4, public bodies in this County that have active public works projects are responsible for notifying all contractors and subcontractors working on those public works projects of the change (if any) to rates that were previously in effect. The failure of a public body to provide such notice does not relieve contractors or subcontractors of their obligations under the Prevailing Wage Act, including the duty to pay the relevant prevailing wage in effect at the time work subject to the Act is performed.

JACKSON COUNTY RESOLUTION NO. 2017 - 42

**A RESOLUTION TO PROHIBIT, REPORT AND
ELIMINATE SEXUAL HARASSMENT**

WHEREAS, Public Act 100-0554 (specifically 5 ILCS 430/70-5) requires the County to adopt a Resolution establishing sexual harassment policies, and

WHEREAS, the County has already adopted a contemporary and topical sexual harassment policy.

Now, therefore, be it resolved by the Jackson County Board of Jackson County, Illinois as follows:

Section 1. The Sexual Harassment Policy is as follows:

Sexual Harassment

Sexual Harassment constitutes discrimination and is illegal. For the purposes of this policy, sexual harassment includes, but is not limited to:

1. Unwelcome sexual advances, requests for sexual acts or favors, or other verbal or physical conduct of a sexual nature;
2. Any statement or implication that an individual's submission to or rejection of such sexual conduct could be used as a condition of employment, or as the basis for any employment decision affecting such individual; and
3. Any conduct, whether physical or verbal, which has the purpose or effect of substantially interfering with an individual's work performance or creating an intimidating, hostile, or offensive work environment. This includes, but is not limited to: slurs, jokes, or degrading comments of a sexual nature; offensive sexual flirtation, sexual advances, or propositions; abuse of a sexual nature; graphic verbal comments about an individual's body; sexual innuendo or suggestive comments; sexually oriented "kidding" or "teasing"; unwanted physical touching, such as patting or pinching another's body; sending, forwarding, or soliciting sexually suggestive letters, notes, emails, or images; and the display in the workplace of sexually suggestive printed or visual materials, clothing, objects, or pictures.

Sexual Harassment may include a range of subtle to obvious behaviors and may involve individuals of the same or different gender.

Procedures

Every individual must end and/or avoid any conduct that reasonably could be interpreted as discrimination or harassment under this policy, even if such conduct was not intended as offensive. Conversely, individuals are encouraged to inform others in the workplace whenever conduct is unwelcome, offensive, or in poor taste.

Jackson County encourages the immediate reporting of all perceived incidents of discrimination, harassment, or retaliation, regardless of the offender's identity or position, or the perceived severity of the incident. Individuals who believe that they have been subjected to harassment (or who have reason to believe that someone else has been subjected to harassment) should immediately discuss their concerns with their immediate supervisor, their officeholder, or the State's Attorney's Office. In lieu of or in conjunction with that, the incident can be reported to the public agencies named below. That individual may prepare a statement in writing, and/or be prepared to discuss the following:

1. The name, department, and position of the person or persons allegedly causing the harassment.
2. A description of the incident(s) including the date(s), location(s), the presence of witnesses, and the names of others who might have been subject to the same or similar harassment.
3. The alleged effect of the incident(s) on the complainant's position.
4. The steps the complainant has taken to try to stop the harassment.
5. Any other information the complainant believes to be relevant to the harassment complaint.

Any reported allegations of harassment, discrimination, or retaliation will be investigated promptly. The investigation may include individual interviews with the parties involved and, where necessary, with individuals who may have observed the alleged conduct or may have other relevant knowledge.

1. Confidentiality will be maintained throughout the investigative process to the greatest extent possible.
2. Anonymous complaints will be accepted; however, the County may be limited in its options in investigating or resolving anonymous complaints due to a limited ability to collect additional information.
3. Appropriate action may be taken against any individual found to have engaged in the harassment of any other individual in the workplace in accordance with this policy. If an individual is concerned about behavior or harassment by another employee or county official that occurs outside of the workplace, they will be encouraged to contact appropriate law enforcement officials.

4. Retaliation against an individual for reporting harassment or for participating in an investigation of a claim of harassment is a serious violation of this policy, Public Act 100-0554, the Whistleblower Act, and the Illinois Human Rights Act, and, like harassment itself, may (to the extent allowed by law) subject that individual to disciplinary action. Acts of retaliation should be reported immediately and will be promptly investigated and addressed.
5. Failure of an individual to cooperate with an investigation of harassment, may (to the extent allowed by law) subject them to further disciplinary action.

Anyone who believes s/he has been subjected to sexual harassment has the right to file a complaint with the Illinois Department of Human Rights, 100 West Randolph Street, 10th Floor, Intake Unit, Chicago, Illinois 60601; (312) 814-6200; (217) 785-5125 (TTY) and/or the Equal Employment Opportunity Commission, 500 West Madison, Suite 2800, Chicago, Illinois 60661; (312) 353-2713. The Illinois Human Rights Act provides that complaints of harassment must be filed within 180 days of the alleged incident. A complaint with the EEOC must be filed within 300 days of the alleged incident. It is also a violation of section 6-101 of the Illinois Human Rights Act to retaliate against an individual for opposing or complaining about conduct believed to be a violation of the Act.

False and Frivolous Complaints

False and frivolous charges refer to cases where the accuser is using a sexual harassment complaint to accomplish some end other than stopping sexual harassment. It does not refer to charges made in good faith which cannot be proven. Given the seriousness of the consequences for the accused, a false and frivolous charge is a severe offense that can itself result in disciplinary action.

Section 2. The Resolution shall be effective immediately.

Section 3. The Resolution does not preclude a county official or office/department from adopting and enforcing its own contemporaneous and topical sexual harassment policies or those policies stated in any collective bargaining agreement; and those policies may be used in lieu of the Resolution's.

This Resolution adopted at a regular monthly meeting of the Jackson County Board of Jackson County, Illinois, on the 14th day of December, 2017.
