JACKSON COUNTY RESOLITION 2013 - 17

**A RESOLUTION TO SUPPORT LEGISLATION TO BENEFIT
FLOODPLAIN PROPERTY OWNERS**

WHEREAS, the County of Jackson has been a long standing member in the federal floodplain program, a component of which is the availability of subsidized flood plain insurance; and

WHEREAS, the County of Jackson, Illinois has maintained its good standing in the federal floodplain and insurance programs by committing its resources to maintain that standing for the benefits of its citizens and the property owners in the floodplain areas of the County; and

WHEREAS, the United States Congress recently amended the federal floodplain insurance program modifying or eliminating the insurance subsidies and making other changes the effect of which will substantially hurt all property owners in the floodplain, as well as severely damage the property tax base for the entire county; and

WHEREAS, the County of Jackson believes these measures are too harsh with untold and inestimable financial losses for the citizens, the County and other units of local government; and urges our elected representatives to find a solution that will lessen the impact of the changes.

THEREFORE, BE IT RESOLVED, THAT:

The County of Jackson, Illinois requests and supports any legislative effort that will lessen the burden caused by the changes to the floodplain insurance subsidy program.

That a copy of this Resolution shall be immediately distributed to our State and Federal elected representatives.

RESOLUTION NO. 2013 - /8

PREVAILING WAGE RESOLUTION

WHEREAS, the State of Illinois has enacted "An Act regulating wages of laborers, mechanics and other workers employed in any public works by the State, county, city or any public body or any political subdivision or by anyone under contract for public works", approved June 26, 1941, as amended, (820 ILCS 130/1), (as amended)(hereinafter referred to as the "Prevailing Wage Act") and

WHEREAS, the aforesaid Act requires that the County of Jackson, State of Illinois, investigate and ascertain the prevailing rate of wages as defined in said Act for laborers, mechanics and other workers in the locality of the County of Jackson employed in performing construction of public works, for said County of Jackson.

NOW, THEREFORE, BE IT RESOLVED BY THE COUNTY BOARD OF JACKSON COUNTY:

SECTION 1: To the extent and as required by the Prevailing Wage Act, the general prevailing rate of wages in this locality for laborers, mechanics and other workers engaged in construction of public works coming under the jurisdiction of the County of Jackson is hereby ascertained to be the same as the prevailing rate of wages for construction work in Jackson County area as determined by the Illinois Department of Labor as of June of the current year. A copy of the determination is attached hereto and incorporated herein by reference. As required by the Prevailing Wage Act, any and all revisions of the prevailing rate of wages by the Illinois Department of Labor shall supersede the Department's June determination and apply to any and all public works construction undertaken by the County of Jackson. The definition of any terms appearing in this Resolution which are also used in aforesaid Act shall be the same as in said Act.

SECTION 2: Nothing herein contained shall be construed to apply said general prevailing rate of wages as herein ascertained to any work or employment except public works construction on the County of Jackson to the extent required by the aforesaid Act.

SECTION 3: The Jackson County Clerk shall publicly post or keep available for inspection by any interested party in the main office of the County of Jackson this determination or any revisions of such prevailing rate of wage. A copy of this determination or of the current revised determination of prevailing rate of wages then in effect shall be attached to all contract specifications.

SECTION 4: The Jackson County Clerk shall mail a copy of this determination to any employer, and to any association of employers and to any person or association of employees who have filed their names and addresses, requesting copies of any determination stating the particular rates and the particular class of workers whose wages will be affected by such rates.

SECTION 5: The Jackson County Clerk shall promptly file a certified copy of this Resolution with **both** the Secretary of State Index Division and the Department of Labor, State of Illinois.

SECTION 6: The Jackson County Clerk shall cause to be published in a newspaper of general circulation within the area a copy of this Resolution, and such publication shall constitute notice that the determination is effective and that this is the determination of this public body.

Explanations

JACKSON COUNTY

The following list is considered as those days for which holiday rates of wages for work performed apply: New Years Day, Memorial Day, Fourth of July, Labor Day, Thanksgiving Day, Christmas Day and Veterans Day in some classifications/counties. Generally, any of these holidays which fall on a Sunday is celebrated on the following Monday. This then makes work performed on that Monday payable at the appropriate overtime rate for holiday pay. Common practice in a given local may alter certain days of celebration. If in doubt, please check with IDOL.

Oil and chip resealing (O&C) means the application of road oils and liquid asphalt to coat an existing road surface, followed by application of aggregate chips or gravel to coated surface, and subsequent rolling of material to seal the surface.

EXPLANATION OF CLASSES

ASBESTOS - GENERAL - removal of asbestos material/mold and hazardous materials from any place in a building, including mechanical systems where those mechanical systems are to be removed. This includes the removal of asbestos materials/mold and hazardous materials from ductwork or pipes in a building when the building is to be demolished at the time or at some close future date.

ASBESTOS - MECHANICAL - removal of asbestos material from mechanical systems, such as pipes, ducts, and boilers, where the mechanical systems are to remain.

LABORER - OIL AND CHIP RESEALING

Hook and unhook chip box from aggregate truck; distribute material within chip box; perform flagging work related to oil and chip resealing; hand spray oil fluids; handle traffic control, including setting-up and maintaining barricades, drums, cones, delineators, signs and other such items, as well as laying-out and applying or removing temporary roadway markings used to control traffic in job site related to oil and chip resealing; and perform clean-up related to oil and chip resealing.

CERAMIC TILE FINISHER, MARBLE FINISHER, TERRAZZO FINISHER

Assisting, helping or supporting the tile, marble and terrazzo mechanic by performing their historic and traditional work assignments required to complete the proper installation of the work covered by said crafts. The term "Ceramic" is used for naming the classification only, and is in no a limitation of the product handled. Ceramic takes into consideration most hard tiles.

ELECTRIC POWER LINEMAN

Construction, maintenance and dismantling of overhead and underground electric power lines, including high voltage pipe type cable work, and associated structures and equipment.

ELECTRIC POWER EQUIPMENT OPERATOR - CLASS 1

Operation of all crawler type equipment D-4 and larger from the ground to assist the Electric Power Linemen in performing their duties.

ELECTRIC POWER EQUIPMENT OPERATORS - CLASS 2

Operation of all other equipment from the ground to assist the Electric Power Linemen in performing their duties.

ELECTRIC POWER GROUNDMAN

Applies to workers who assist the Electric Power Lineman from the ground.

ELECTRONIC SYSTEMS TECHNICIAN

Installation, service and maintenance of low-voltage systems which utilizes the transmission and/or transference of voice, sound, vision, or digital for commercial, education, security and entertainment purposes for the following: TV monitoring and surveillance, background/foreground music, intercom and telephone interconnect, field programming, inventory control systems, microwave transmission, multi-media, multiplex, radio page, school, intercom and sound burglar alarms and low voltage master clock systems.

Excluded from this classification are energy management systems, life safety systems, supervisory controls and data acquisition systems not intrinsic with the above listed systems, fire alarm systems, nurse call systems and raceways exceeding fifteen feet in length.

TRUCK DRIVER - BUILDING, HEAVY AND HIGHWAY CONSTRUCTION

Class 1. Drivers on 2 axle trucks hauling less than 9 ton. Air compressor and welding machines and brooms, including those pulled by separate units, truck driver helpers, warehouse employees, mechanic helpers, greasers and tiremen, pickup trucks when hauling materials, tools, or workers to and from and on-the-job site, and fork lifts up to 6,000 lb. capacity.

Class 2. Two or three axle trucks hauling more than 9 ton but hauling less than 16 ton. A-frame winch trucks, hydrolift trucks, vactor trucks or similar equipment when used for transportation purposes. Fork lifts over 6,000 lb. capacity, winch trucks, four axle combination units, and ticket writers.

Class 3. Two, three or four axle trucks hauling 16 ton or more. Drivers on water pulls, articulated dump trucks, mechanics and working forepersons, and dispatchers. Five axle or more combination units.

Class 4. Low Boy and Oil Distributors.

Class 5. Drivers who require special protective clothing while employed on hazardous waste work.
