You, at your expense, will protect and defend our security interest in the Units and will keep the Units free and clear of any and all claims, liens, encumbrances and legal processes however and whenever arising.
6. **Disclaimer of Warranties** WE HAVE NOT MADE AND DO NOT MAKE ANY WARRANTY, REPRESENTATION OR COVENANT OF ANY KIND, EXPRESS OR IMPLIED, AS TO THE UNITS. AS TO US, YOUR LEASE AND PURCHASE OF THE UNITS WILL BE ON AN "AS IS" AND "WHERE IS" BASIS AND "WITH ALL FAULTS". Nothing in this Agreement is intended to limit, waive, abridge or otherwise modify any rights, claims, or causes of action that you may have against any person or entity other than us.
7. **Non-Appropriation** You have an immediate need for, and expect to make immediate use of, the Units. This need is not temporary or expected to diminish during the term of this Agreement. To that end, you agree, to the extent permitted by law, to include in your budget for the current and each successive fiscal year during the term of this Agreement, a sufficient amount to permit you to

discharge your obligations under this Agreement. Notwithstanding any provision of this Agreement to the contrary, we and you agree that, in the event that prior to the commencement of any of your fiscal years you do not have sufficient funds appropriated to make the Payments due under this Agreement for such fiscal year, you will have the option of terminating this Agreement as of the date of the commencement of such fiscal year by giving us sixty (60) days prior written notice of your intent to terminate. No later than the last day of the last fiscal year for which appropriations were made for the Payments (the "Return Date"), you will return to us all of the Units, at your sole expense, in accordance with Section 14, and this Agreement will terminate on the Return Date without penalty or expense to you and you will not be obligated to pay the Lease Payments beyond such fiscal year; provided, that you will pay all Payments for which moneys have been appropriated or are otherwise available; and provided further, that you will pay month-to-month rent at the rate set by us for each month or part of any month that you fail to return the Units.

8. **Tax Warranty** You will, at all times, do and perform all acts and things necessary and within your control to ensure that the interest component of the Lease Payments will, for the purposes of Federal income taxation, be excluded from our gross income. You will not permit or cause your obligations under this Agreement to be guaranteed by the Federal Government or any branch or instrumentality of the Federal Government. You will use the Units for the purpose of performing one or more of your governmental functions consistent with the scope of your authority and not in any trade or business carried on by a person other than you. You will report this Agreement to the Internal Revenue Service by filing Form 8038G, 8038GC or 8038, as applicable. Failure to do so will cause this Agreement to lose its tax exempt status. You agree that if the appropriate form is not filed, the interest rate payable under this Agreement will be raised to the equivalent taxable interest rate. If the use, possession or acquisition of the Units is determined to be subject to taxation, you will pay when due all taxes and governmental charges assessed or levied against or with respect to the Units.
9. **Assignment** You may not, without our prior written consent, by operation of law or otherwise, assign, transfer, pledge, hypothecate or otherwise dispose of your right, title and interest in and to this Agreement and/or the Units and/or grant or assign a security interest in this Agreement and/or the Units, in whole or in part. We may not transfer, sell, assign, pledge, hypothecate, or otherwise dispose of our right, title and interest in and to this Agreement and/or the Units and/or grant or assign a security interest in this Agreement and/or the Units, in whole or in part.
10. **Indemnity** To the extent permitted by law, you assume liability for, agree to and do indemnify, protect and hold harmless us and our employees, officers, directors and agents from and against any and all liabilities, obligations, losses, damages, injuries, claims, demands, penalties, actions, costs and expenses (including reasonable attorney's fees), of whatsoever kind and nature, arising out of the use, condition (including, but not limited to, latent and other defects and whether or not discoverable by you or us), operation, ownership, selection, delivery, storage, leasing or return of any item of Units, regardless of where, how and by whom operated, or any failure on your part to accept the Units or otherwise to perform or comply with any conditions of this Agreement.
11. **Insurance; Loss and Damage** You bear the entire risk of loss, theft, destruction or damage to the Units from any cause whatsoever. No loss, theft, destruction or damage of the Units will relieve you of the obligation to make Lease Payments or to perform any obligation owing under this Agreement. You agree to keep the

Units insured to protect all of our interests, at your expense, for such risks, in such amounts, in such forms and with such companies as we may require, including but not limited to fire and extended coverage insurance, explosion and collision coverage, and personal liability and property damage liability insurance. Any insurance policies relating to loss or damage to the Units will name us as loss payee as our interests may appear and the proceeds may be applied toward the replacement or repair of the Units or the satisfaction of the Payments due under this Agreement. You agree to use, operate and maintain the Units in accordance with all laws, regulations and ordinances and in accordance with the provision of any policies of insurance covering the Units, and will not rent the Units or permit the Units to be used by anyone other than you. You agree to keep the Units in good repair, working order and condition and house the Units in suitable shelter, and to permit us or our assigns to inspect the Units at any time and to otherwise protect our interests in the Units. If any Unit is customarily covered by a maintenance agreement, you will furnish us with a maintenance agreement by a party acceptable to us.

12. **Default; Remedies** An "Event of Default" will occur if (a) you fail to pay any Payment when due and such failure continues for ten (10) days after the due date for such Payment or (b) you fail to perform or observe any other covenant, condition, or agreement to be performed or observed by you under this Agreement and such failure is not cured within twenty (20) days after written notice of such failure from us. Upon an Event of Default, we will have all rights and remedies available under applicable law. In addition, we may declare all Lease Payments due or to become due during the fiscal year in which the Event of Default occurs to be immediately due and payable by you and/or we may repossess the Units by giving you written notice to deliver the Units to us in the manner provided in Section 14, or in the event you fail to do so within ten (10) days after receipt of such notice, and subject to all applicable laws, we may enter upon your premises and take possession of the Units. Further, if we financed your obligations under any extended warranty agreement such as an Equipment Protection Plan, Extended Service Contract, Extended Warranty, Customer Service Agreement, Total Maintenance and Repair Agreement or similar agreement, we may cancel such extended warranty agreement on your behalf and receive the refund of the extended warranty agreement fees that we financed but had not received from you as of the date of the Event of Default.
13. **Miscellaneous** This Agreement may not be modified, amended, altered or changed except by a written agreement signed by you and us. In the event any provision of this Agreement is found invalid or unenforceable, the remaining provisions will remain in full force and effect. This Agreement, together with exhibits, constitutes the entire agreement between you and us and supersedes all prior and contemporaneous writings, understandings, agreements, solicitations, documents and representations, expressed or implied. Any terms and conditions of any purchase order or other documents submitted by you in connection with this Agreement which are in addition to or inconsistent with the terms and conditions of this Agreement will not be binding on us and will not apply to this Agreement. You agree that we may correct patent errors in this Agreement and fill in blanks including, for example, correcting or filling in serial numbers, VIN numbers, and dates. Any notices required to be given under this Agreement will be given to the parties in writing and by certified mail at the address provided in this Agreement, or to such other addresses as each party may substitute by notice to the other, which notice will be effective upon its receipt.
14. **Title; Return of Units** Notwithstanding our designation as "Lessor," we do not own the Units. Legal title to the Units will be in you so long as an Event of Default has not occurred, and you have not

exercised your right of non-appropriation. If an Event of Default occurs or if you non-appropriate, full and unencumbered title to the Units will pass to us without the necessity of further action by the parties, and you will have no further interest in the Units. If we are entitled to obtain possession of any Units or if you are obligated at any time to return any Units, then (a) title to the Units will vest in us immediately, and (b) you will, at your expense, promptly deliver the Unit to us properly protected and in the condition required by Section 11. You will deliver the Unit, at our option, (i) to the nearest Caterpillar dealer selling equipment of the same type as the Unit; or (ii) on board a carrier named by us and shipping the Unit, freight collect, to a destination designated by us. If the Unit is not in the condition required by Section 11, you must pay us, on demand, all costs and expenses incurred by us to bring the Unit into the required condition. Until the Units are returned as required above, all terms of this Agreement will remain in full force and effect including, without limitation, your obligation to pay Lease Payments and to insure the Units.

Electronic Participation of County Board Members

Dear Executive Committee:

The Committee requested my office to draft and propose procedures that will allow county board members to electronically attend and participate in county board and committee meetings. You have before you a resolution to amend the by-laws as well as the amended by-laws (assuming the measure is adopted).

The changes are in conformity with §§ 2.01 and 7 of the Illinois Open Meetings Act. If adopted, county board members have a process that will allow them to attend, participate in and vote at county board and committee meetings.

Attached you will find the amended bylaws. Beginning on page 6 you will see the electronic participation rules (Section 6). Following the bylaws (on page 14) you will find the suggested request form that should be completed by the board member when electronic participation is sought. You also have in front of you the resolution that will approve the changes. **Passage of the resolution will require the affirmative votes of ten (10) county board members.**

There are limitations and rules that are mandatory. Please note the following:

1. A quorum of the members of the board or the committee must be physically present at the meeting. Members that participate electronically cannot be counted as part of the quorum.
2. The request form must be fully completed and distributed to both the county clerk and the board office at least 48 hours before the meeting.
3. All voting on any measure where a member is present electronically must be by roll call vote.
