

## Jackson County Public Right-of-Way Accessibility Transition Plan

### Plan Update and Amendment – July, 2023

The County of Jackson adopted a Public Right-of-Way Accessibility Transition Plan on May 22, 2018 (the Plan) at the regularly scheduled meeting of the County Board. This Plan adoption was in accordance with the Illinois Department of Transportation Bureau of Local Roads and Street Administrative Policy in conjunction with the Americans with Disability Act.

The Plan adopted was for Right-of-Way operated by the Jackson County Highway Department (JCHD). In the adopted plan, updates and amendments should be completed from time to time to insure the plan is updated and meets current policy requirements. Please let this Plan update and amendment stand as such.
