

NOTICE TO JACKSON COUNTY TAXPAYERS

Following is a COMPILED list of assessment CHANGES FOR 2017 for 8 townships:

Bradley, Carbondale, Desoto, Elk, Murphysboro, Somerset, Ora, Vergennes. Only parcels which had a change in value are listed.

And also follows is a COMPLETE list of ALL parcels in the other 8 REASSESSED townships:

Degonia, Fountain Bluff, Grand Tower, Kinkaid, Levan, Makanda, Pomona, Sand Ridge. Every parcel in a reassessment year, regardless of whether it changed, is listed, as per (35 ILCS 200/9-225).

Rather than reassess the whole county every four years, one quarter of the county is done every year. The county has been divided into four quadrants determined by population, parcel count, EAV, and other factors. 2017 is a reassessment year for those listed above, 2018 will be a reassessment year for Bradley, Ora, Vergennes, Elk, and Desoto.

Valuation date (35 ILCS 200/9-95): January 1, 2017

Required level of assessment (35 ILCS 200/9-145): 33.33%

Valuation of the reassessed townships (35 ILCS 200/1-155) based on sales from: 2014, 2015, 2016

Pursuant to 35 ILCS 200/10-115 the farmland assessments for the 2017 year will increase by \$24.05 of the preceding year's median cropped soil productivity index as certified by the Illinois Department of Revenue with data provided by the Farmland Assessment Technical Advisory Board resulting in a \$24.05 per acre increase for each soil productivity index.

Property other than farmland and coal is to be assessed at a 33.33% median level of assessments, based on the fair cash value of the property. You may check the accuracy of your assessment by dividing your assessment by .3333. The resulting value should equal the estimated fair cash value of your property. If the resulting value is greater than the estimated fair cash value of your property, you may be over-assessed. If the resulting value is less, you may be under-assessed. You may appeal your assessment to the Board of Review.

If you believe your property's fair cash value is incorrect or that the equalized assessed valuation is not uniform with other comparable properties, the following steps should be taken:

1. Contact your Township Assessor's office to review the assessment. Neither the TA nor the Supervisor of Assessments have the authority to make any changes at this stage of the tax cycle, but both offices can provide information as to how the assessment was determined.
2. Taxpayers may then file a complaint with the Jackson County Board of Review. For complaint forms, instructions, and Rules and Procedures of the Board of Review, visit www.jacksoncounty-il.gov or call 618-684-4907 for more information.

3. The final filing deadline for the townships below is November 20, 2017, 30 days from the date of this publication. After this date, the Board of Review is prohibited by law from accepting assessment complaints. For more information on complaint deadlines, call the BOR at 618-684-4907.

Your property tax bill will be calculated as follows:

Final Equalized Assessed Value - Exemptions = Taxable Assessment;
Taxable Assessment x Current Tax Rate = Total Tax Bill.

No equalization factors were applied at the local level by the Chief County Assessment Officer, however, all assessed valuations are subject to equalization and revision by the Jackson County Board of Review as well as by the Illinois Department of Revenue.

Your property may be eligible for homestead exemptions, which can reduce your property's taxable assessment. For more information and forms for homestead exemptions visit www.jacksoncounty-il.gov or call 618-687-7220.

IMPORTANT!!!! Senate Bill 473 passed in the Legislature making the income threshold for the Senior Citizen Assessment Freeze Exemption (SCAFE) \$65,000 beginning with the 2018 (payable 2019) tax year. This is up from \$55,000. Renewal applications will be sent out in January. Please help spread the word so that more people can receive tax relief.

EXCITING!!!! A new and improved web page for assessment data and GIS aerial photography is coming to the Jackson County website. It will be compatible with all common desktop browsers (Chrome, Firefox, Internet Explorer 9 or higher, Microsoft Edge, and Safari on iOS 5.1 or higher. And it will be accessible from a smartphone or tablet using Android, Chrome or Safari. Some new features include comparable sales and sales report functionalities. Additionally, it will provide access to Google Earth street view images so photos of property are a click away. Our target date to go LIVE with it is October 27, 2017.

Dated October 20, 2017
Maureen Berkowitz
Supervisor of Assessments
Chief County Assessment Office
County of Jackson
State of Illinois, in assessment year 2017.

I, Maureen Berkowitz, hereby certify that the following is a complete list of assessment CHANGES in 8 townships for 2017:
